*Julie,
 To a real cool
 girl who makes a
 good companion on good
 days.
 Best Wishes
 Vicki Ingraham*

Only a moment;
 a moment of strength,
 of glamour—of youth! . . .
 A flick of sunshine
 upon a strange shore,
 the time to remember,
 the time for a sigh, and . . .

In early September 1966 the halls of UTHS were again filled with tanned, anticipating seniors reminiscing the experiences of their final high school summer and looking forward to their reign as the highest upperclassmen.

The warm days faded, and autumn brought football. After the first few games it appeared as if the Panthers were going to be the same losing but "hard playing" team. But to the delight of loyal and rain-soaked fans, a determined Panther team won their first Homecoming game in five years on a sloppy field of mud beginning a totally unexpected winning streak. The winning of the game made the festivities of Homecoming complete.

As the mercury began to drop, seniors began doing research and making initial preparations for their post graduate plans. For some, it was the taking of the ACT and SAT college entrance examinations; for others it was applying for jobs and apprenticeships or talking to recruiters from the Armed Services.

Midyear senior activities included attending the first basketball games and wrestling meets of the season, musical concerts, plays, meetings of the various clubs, and frantic studying to achieve the desired semester grades. The seniors found a unique sadness in each activity with the realization that these were their final moments of participation.

The second semester was busy with important decision-making and applying to colleges followed by eager waiting for replies.

As the warm spring curtain began to close on the seniors' high school career, each one's thoughts were filled with unforgettable experiences and fulfilled goals.

Surrounded by change, the Juniors managed to create a year of their own. Participation at games, attendance at dances, and other numerous activities provided a time for them to become adjusted.

Tradition was altered for the Juniors with the modification of the class ring. Removal of the crest from the top and the lowering of the stone in the mounting were the most significant differences. A panther and a shield displaying four symbols of education were engraved on the sides. In addition, a sweetheart ring was initiated and offered to the girls. It displayed an oval stone and a finer mounting to give a more feminine appearance.

Also on the agenda for the Juniors was the Preliminary Scholastic Aptitude Test. This exam was devised to challenge and acquaint the students with the fields of English and math and prepare them for the Scholastic Aptitude Test. In the spring the National Merit Scholarship Test was given to college-bound students desiring an opportunity for financial aid. The Juniors came closer to the realization of having to plan a future now. Students interested in going to college began selecting the schools best suited for their particular qualifications. Other students outlined their careers by enrolling in Diversified Occupations which originated this year. The program was designed to encourage students, not planning to further their education, to investigate other occupations through job training.

Junior class officers: Treasurer, Beth Sipes; Vice-President, Keene Kruckenberg; Secretary, Debbie Ruby; President, Jack Brooks.

Presented as First Frosh-Soph Play

Taking an active part in high school life made the sophomore year at UTHS a time of excitement and expectation. Knowing their way through the building and seeing old friends again gave the students more assurance than they had had as freshmen. Through the guidance counselors, information about colleges and vocational training was made available to the students. A testing program, the Iowa Test of Educational Development, was taken by sophomores to aid them in determining their scholastic abilities.

Many students joined the Library Club and gained valuable information concerning the use of library facilities while others worked in the school offices as attendance and errand girls.

In addition to scholastic improvement, sophomores anticipated driver education courses and behind-the-wheel training. With the successful completion of these activities they were prepared to take their driver's examination and on passing, received a ten percent reduction of insurance costs. Acquiring a driver's license also meant they would have more independence but greater responsibility. A nine-week course in personal health was required in addition to their other academic curriculum. Athletic competition and school spirit became stronger as the sophomores competed in the Mississippi Valley Conference for the first time.

Howard Schmidt finds definitions for his English vocabulary words.

Freshmen found their first year of high school to be a time for new experiences and events. The variety of situations to which they were exposed, evoked many different reactions from the students. The atmosphere of an unfamiliar building and the large number of students proved to be only a minor obstacle as they simultaneously sought familiar faces and new acquaintances. Freshmen were introduced to the sophisticated life of high school in an orientation program held at the North Campus on August 25, 1966. This program answered many of their questions about regulation dress, school policies, sports schedules and extra-curricular activities in which they could participate during the year.

The counselors, who had arranged the selection of freshman courses, were a great asset in helping the students overcome the bewilderment of the first days. The uncertainty experienced by the students was due to the new privileges and responsibilities gained the change from grade school to high school life.

Freshman students enthusiastically displayed their Panther spirit by attending the different athletic events and intraclass competition in the form of freshmen Orange and Black teams. The election of class officers and student council members gave the students a representative voice in school affairs. Freshmen found, through taking an active part in school life and extra-curricular activities, a sense of belonging to UTHS.

"Quality education through service to youth and community." With this motto as its goal the administration of UTHS strove to offer each youth the services with which could develop talents and skills. In this way, students were prepared to meet the challenges of the future. Through a new system of self-evaluation by the faculty and administration, the entire concept of education was constantly reviewed. By updating the curriculum and adding more vocational counseling to the guidance department, the problems of students were met. To keep the students up-to-date on current events, a weekly news broadcast over the P.A. system was instituted. Students were chosen to make the broadcasts. Another new project begun was the United Township Area Vocational Program. When this program is completely developed, it will be housed in its own facility, and will provide an in-depth vocational education program for students of United Township, Riverdale, Rockridge, and Orion school districts. Our administration set a milestone in education in Illinois when it became the first in the state to add an Aviation Science program to its curriculum. By the addition of these courses and programs, UTHS continued to work toward fulfilling its obligations to the community as a comprehensive high school.

Develop Communication Skills

In order to strengthen the UTHS curriculum, the Speech and Drama courses were separated from the English Department and formed into a new department. This department was headed by Mr. Robert Neulieb. To maintain the goal of giving as many students as possible an opportunity to improve their skill in oral communication, new courses were offered. These were Debate, Advanced Speech, and a revised course, Basic Oral Communication Skills. Since this department was new, the year was filled with constant reviewing, evaluating, revising, and establishing effective techniques and procedures to better aid the students.

Two major changes took place in the English Department this year. Mr. Edward Dymek was named to the position of Department Coordinator, and a new text, Warriner's English, Grammar and Composition, was instituted into the English courses. The Warriner's text, used by all four classes at UTHS, gave the English Department a unified approach toward teaching English. Teachers prepared students to be more careful, accurate, interested readers and observers and to express themselves more clearly.

In seeking to develop students' knowledge of their chosen language, the Foreign Language Department offered two years of Latin, four years of French, four years of Spanish, and three years of German. The modern languages were presented from the standpoint that language is speech. With the aid of the language labs, students acquired skills necessary to fluently speak their language.

Stressed by Business and Vocational Fields

A new phase in high school education was introduced this year at UTHS. This was the training for a specific job through the Diversified Occupation program. In the program, the student was required to spend one hour in the D.O. class, a minimum of three hours each day on the job, and the balance of his schedule in other high school subjects.

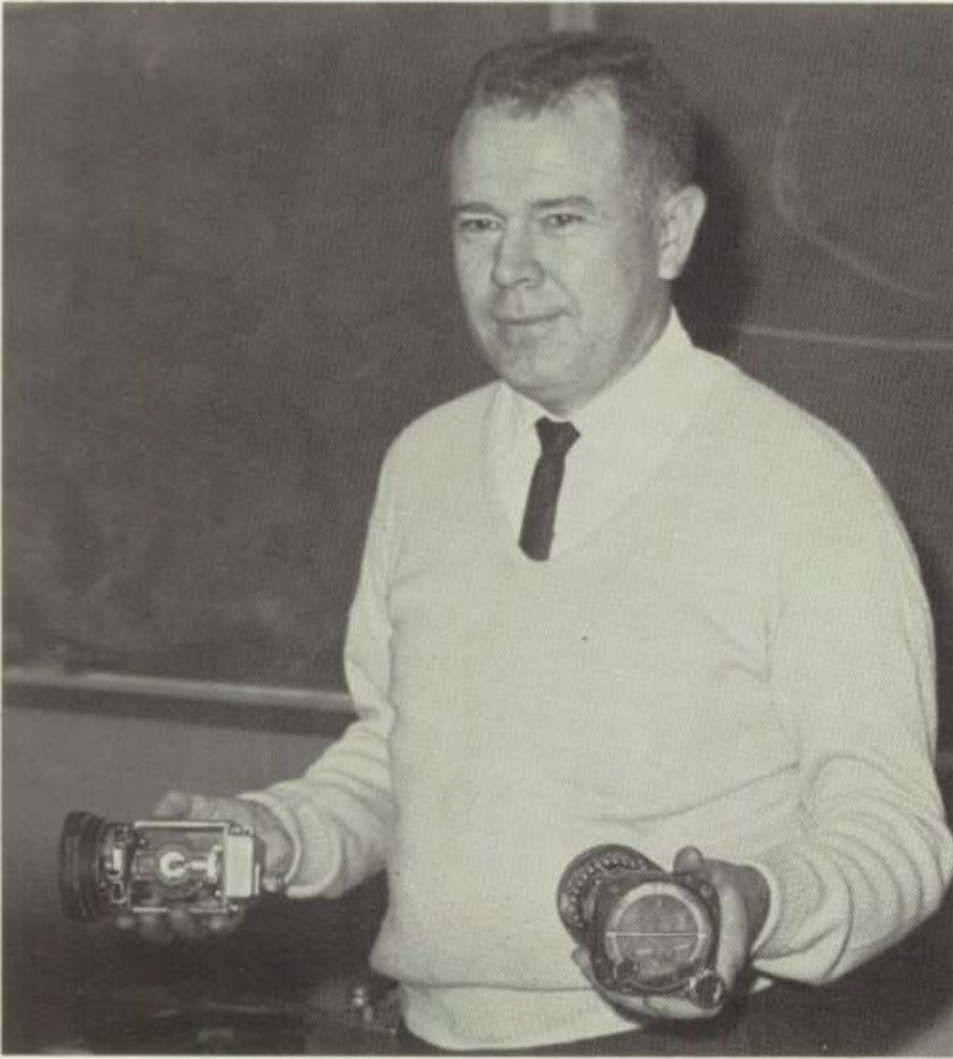

To ready students for the vast job opportunities in business, the UTHS Business Department presented classes in typing, clerical practice, shorthand, bookkeeping, consumer problems, secretarial practice, commercial arithmetic, and distributive education. These courses were aimed at preparing the students of today for the business world of tomorrow.

Expanding industry in the Quad City area dictated that the UTHS industrial training program broaden its outlook to encompass new ideas and interests of students planning on entering this field. A new course in building trades was designed to aid students in the ever expanding field of construction. Classes offered included woodworking, drafting, metals, welding, electronics, vocational auto shop, and vocational machine shop.

To give the future homemaker an opportunity to develop her knowledge of practical skills, the Home Economics Department offered basic courses in sewing, cooking, family living, and home furnishings.

Science and Math

Mr. Tyler sets up equipment in preparation for a physics experiment.

This year the goal of the Mathematics Department was to meet the needs of all students. To achieve this goal, several new courses were added to the curriculum. One of these was Algebra 3A. This course, offered to outstanding junior math students, covered a normal three semester course in two semesters. Included were Algebra 3, Trigonometry, and Algebra 4. Next year this class will be prepared for Introductory College Math in the first semester, and a new advanced course in the second semester. This class was designed to meet the needs of college bound students. Also initiated this year was a remedial math course created to increase the math ability of the non college bound student. An intermediate mathematics program was divided into a two-year course in general math and algebra for the student who was not ready to undertake algebra his first year.

Under the direction of a new department head, Miss Helen Buresh, the Science Department at UTHS was extended. The expansion was accomplished by the addition of Aviation Science. This course, the first of its kind in the State of Illinois, provided the students with a general background in aviation, aircraft design, and maintenance. With more commercial business and private aircraft in use now than ever before, UTHS gave its students a unique opportunity to understand and capitalize on their environment.

Participation in school activities was a focal point of the year for the Art and Music Departments.

The Music Department consisted of two basic sections: vocal and instrumental. Various vocal groups added spirit to assemblies and programs. Along with appearing at all home football games and many home basketball games, the UTHS Band traveled to several away games in support of the Panther teams. Students received basic fundamentals of music theory through the Theory and Harmony course.

In the Art Department a fourth year art course was offered to qualified seniors. Students in the art field were exposed to numerous methods and divisions in art. Each of the divisions was covered extensively throughout the year. During National Education Week, a display of students' work was set up in the main lobby of the South Campus to give parents an idea of work done by the students.

Advanced World History Introduced

With the continued interest in man, his surroundings, and his past, the Social Studies Department initiated an Advanced World History class. The students who participated in this class were chosen according to interest, English grades, and honor roll. Special aids such as records, tapes, and movies were used extensively in all areas of the department to stimulate interest in the course. The National Security Seminar, which was held in Moline in November, was attended by the economics classes, Comparative Government class, Advanced American History class, and Advanced World History class. Through the Seminar students were able to get a better idea of the nation's ideas on current topics.

Physical Fitness Challenges Students

The use of the tennis courts aid in the P.E. program.

The P.E. programs at UTHS this year were designed to provide students with the utmost in physical fitness through exercise and supervised recreation. The boys' P.E. programs which were designed with this purpose in mind were football, weight lifting, and basketball. A new modern dance class stressing physical fitness and co-ordination was created for the girls' P.E. department in addition to the customary activities of archery and volleyball. The competitive games included in the P.E. department also aided in creating school spirit and sportsmanship.

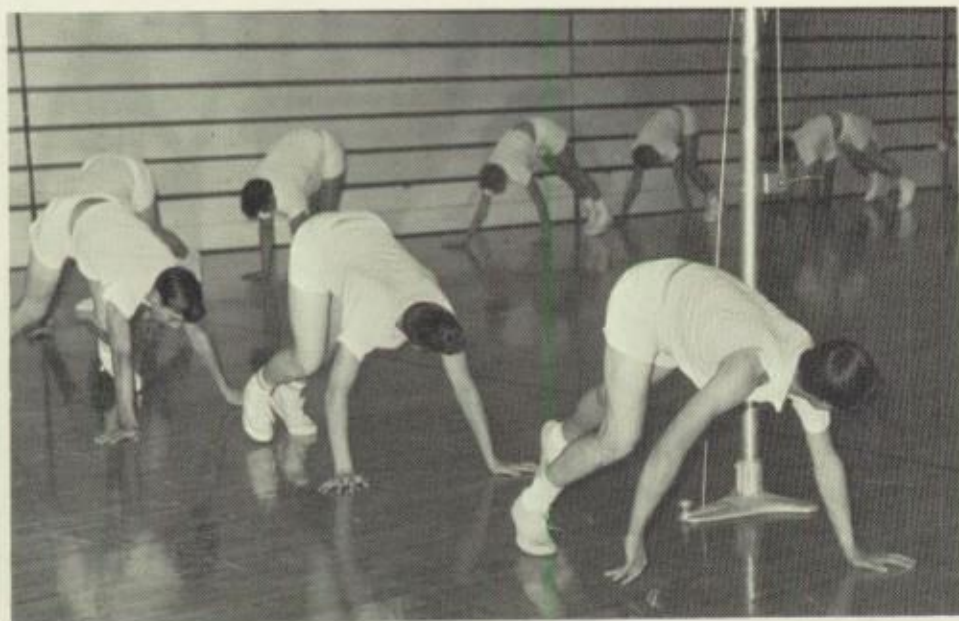

Nine-week courses in health and first aid were required in order to provide the students with a more complete background in personal hygiene.

National Honor Society

The L. O. Dawson Chapter of National Honor Society, organized in 1956, continued to maintain its high position of esteem as the top scholastic organization of United Township High School. Members are chosen on basis of scholarship, character, leadership, and service. Because of their qualifications, these students have received honored distinction in an impressive and symbolic induction ceremony presented before the student body. At this time the inductees are presented a membership card and awarded a gold pin, nationally recognized as the official pin of the society. Membership in the L. O. Dawson Chapter of National Honor Society is considered one of the highest honors bestowed upon a United Township student by the school.

Preceding United Township's own induction, the Society traveled to Rockridge High School to induct the initiates of that school. At the initiation ceremony Mr. Alvar Berghult spoke and placed a challenge before the Rockridge student body.

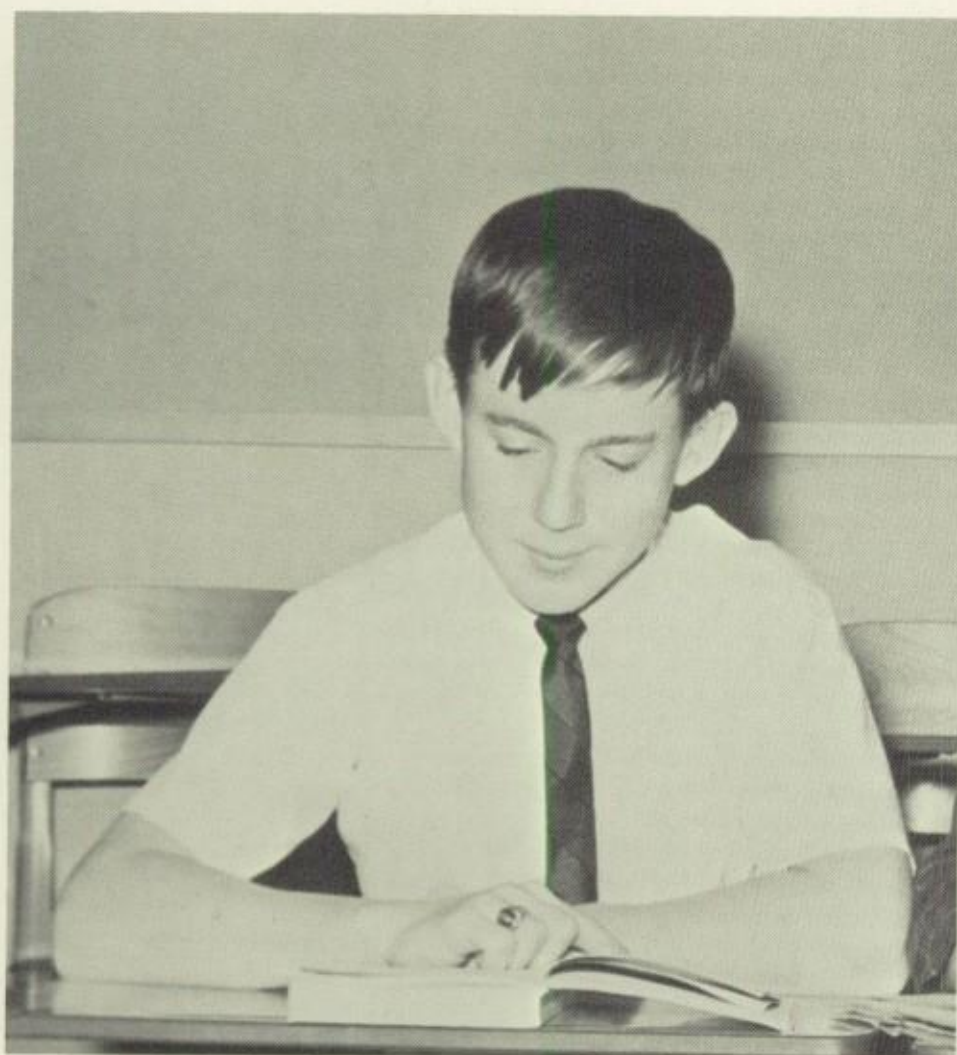

Leading the 1966-67 Honor Society were Bill Scogland, President; Ron Miller, Vice-President; Cheryl Ray, Secretary; and Rick Sommer, Treasurer.

Homecoming Victory Excites Spectators

The Homecoming dance climaxes the weekend's festivities.

Rain, determination, and victory combined to make the 1966 Homecoming a success. The opening event of Homecoming weekend, the coronation, was preceded by weeks of preparation. The dominant question in everyone's mind was answered as the 1966 Homecoming Royalty was announced. Reigning over the festivities were King Dennis Colbert, Queen Patricia Monteith, Prince Richard Yeargle, and Princess Linda Larson.

The rain on Friday night failed to dampen the Panther spirit. Shouts of "Victory Tonight" echoed throughout the stadium as hundreds watched the spirited Panther eleven fight through mud and rain to win a 7-6 victory over Rock Island—the first taste of victory for UTHS in 18 games.

Climaxing the events was the Homecoming dance, ending another Homecoming filled with accomplishment for the students, triumph for the team, and memories for the alumni.

Foreign Exchange Student Arrives From

Beginning with a small group of young people in the early days of World War I, the American Field Service program was organized and has grown to include over three thousand students from fifty-seven countries and an additional number of college and university students. Marie Lundgren, United Township's A.F.S. student this year was one of these three thousand students. Through Marie, United Township students learned about the customs and way of life of the Swedish people.

During her stay in America Marie resided with the Charles Johnson family. Through their patience and co-operation, Marie became adjusted in the American home.

Coming from a tennis minded family and being an avid sports fan, Marie proved her capabilities as a tennis player and captured the top position on the girl's tennis team at United Township.

Marie participated in many activities during her year at United Township High School. Included in these activities were the exchange assemblies and Student Council. Marie represented Sweden and United Township in the exchange assemblies by singing two Swedish folk songs. The Student Council provided her with an idea of the student part in school administration.

Witch Trials Theme of Fall Play

Rebecca Nurse, Reverend Parris, and Mr. and Mrs. Putnam.

Intense drama and extreme hysteria dominated "The Crucible" by Arthur Miller, presented October 27 and 29 in the South Campus Auditorium by the UTHS Players.

Salem village was the location for the action that occurred in 1692. As a result of the witchcraft delusion, within four months hundreds were arrested and tried, and 20 were executed.

The play began as a group of young girls led by Abigail accused Tituba, the West Indian slave of Reverend Parris, of bewitching them. In desperation and under the questioning of Reverend Hale, Tituba confessed that she had sold herself to the Devil. Encouraged by the interest of Reverend Parris and others, the girls' hysteria increased as they called out hundreds of innocent people, including Rebecca Nurse, the town matriarch, and Elizabeth Proctor.

During the courtroom scene tempers flared and truths were revealed as John Proctor told of his affair with Abby. A climatic moment occurred when John's wife Elizabeth refused to acknowledge this affair for fear of damaging her husband's reputation. One of the most dramatic parts of the play came with the evident "fit" of the girls and the final breakdown of Mary Warren.

Rating given by local newspapers acclaimed the accomplishment of the players, the director, Mr. Beausang, his assistant Ginny Colby, and the crew.

A new addition to the theatrical productions of United Township High School was the Freshman-Sophomore play "Blithe Spirit." Directed by Mrs. Mary Krambeck and assisted by Chris Tschopp and Patrick Stout, this play gave new drama talents a chance to emerge and combine to produce a play which received high acclamations. Guided by the helpful advice of upperclassmen, the cast of the light-hearted comedy provided an enjoyable evening for their audiences.

"Impromptu" Chosen for Contest Play

Winifred (Arlis Hasselbusch) watches as Lora (Sue Thoman) worries about the reaction of the stage manager.

Tad Mosel's "Impromptu" was chosen by Mr. Kenneth Beausang for this year's contest play. The abstract one-act play dealt with the question, "How much pretense does life contain and does anyone achieve true reality?"

The four UTHS players presented "Impromptu" at community programs. In the Illinois State Speech Contest competition they placed third in the district giving them the right to advance to sectional competition.

The silken sheen of a lovely costume . . . the penetrating odor of hairspray and pancake make-up . . . the tears after a performance . . . the hours of rehearsal . . . these for the National Thespians are lasting and cherished memories of high school years.

Points are awarded by the Troup Sponsor to deserving students. In awarding these points, the sponsor takes into consideration the amount and quality of the work performed. Ten points are required for membership and with each additional ten points a star is awarded. The ability to perform well before an audience is not the only way in which one may obtain membership. Because of the importance of the student director, backstage crew, and business management, the Troup Sponsor awards points for their work also.

The main activities of this year's Thespians under the direction of Mr. Kenneth Beausang, were associated with the theater department and the production of two plays, "The Crucible" and "Blithe Spirit," and a spring musical comedy, "Little Mary Sunshine."

Speech Department Hosts

Kathy Halligan and Mary Jo Eleopolos revise their speech contest entries.

This year the Speech program grew to be a very active organization participating in many tournaments and contests. During the summer four United Township students, Sue Thoman, Bill Scogland, Ron Miller, and Jim Trego, attended university summer workshops to study in various areas of speech.

Debate teams participated in numerous tournaments and placed first in the novice division at the Second Annual United Township High School Invitational Debate Tournament.

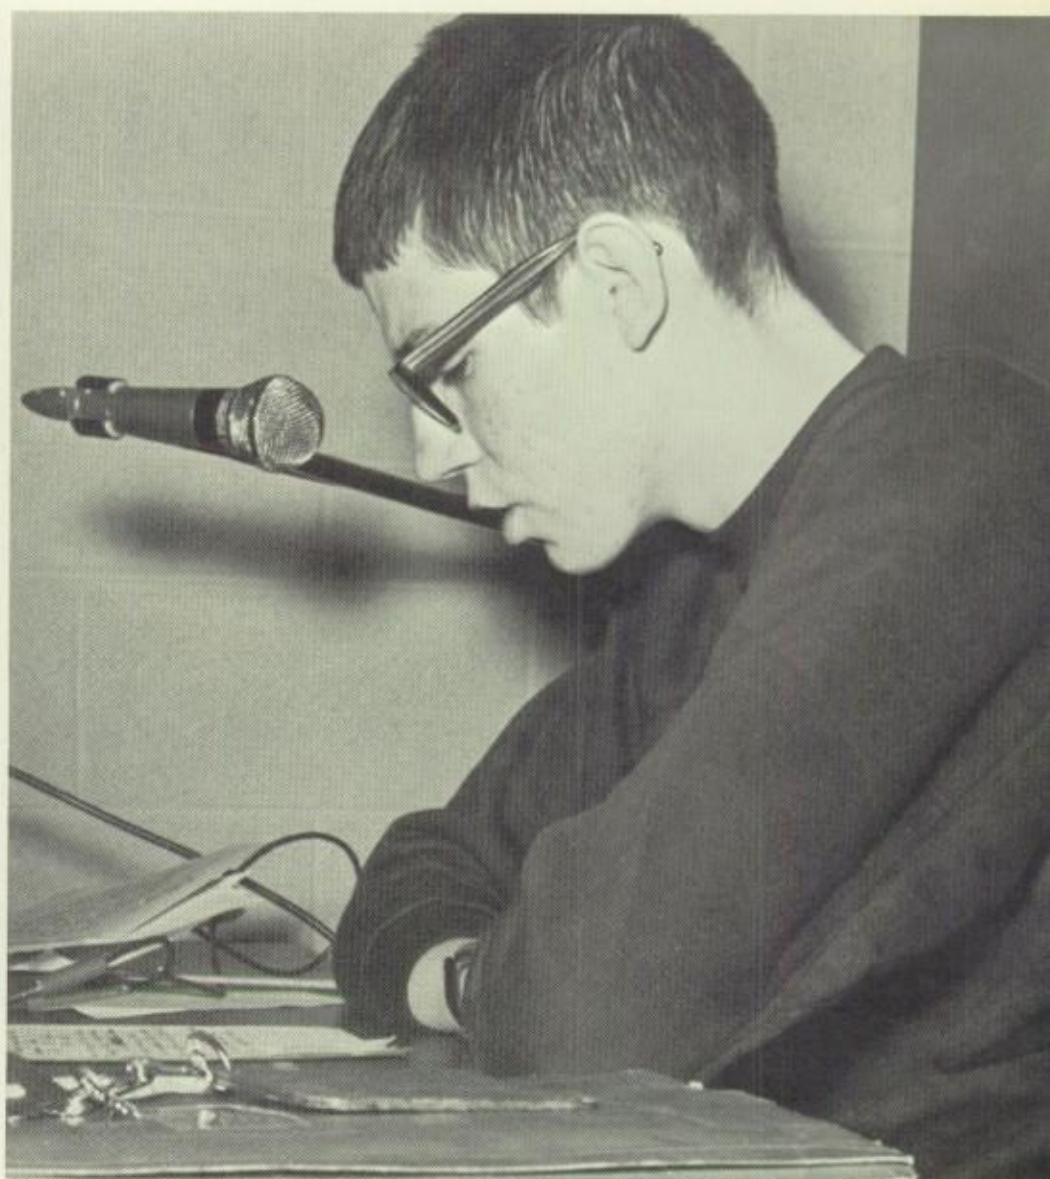

Individual events consisted of extemporaneous speaking, prose reading, poetry reading, radio speaking, humorous reading, serious reading, original monologue, oratorical declamation, after dinner speaking, and original oratory. The speakers hosted an individual events festival in February, and traveled to other contests throughout the state.

The debate and individual events programs were merged into a Forensics Union this year. By expanding the program at the North Campus, more students were encouraged to participate in extra curricular speech activities.

Included in the activities initiated by the forensics program were the Varsity Speech Night during which individual speakers performed before the public, and the weekly school newscast which also broadcasted over KWNT-FM radio at basketball half-times was presented.

Student Council Designates

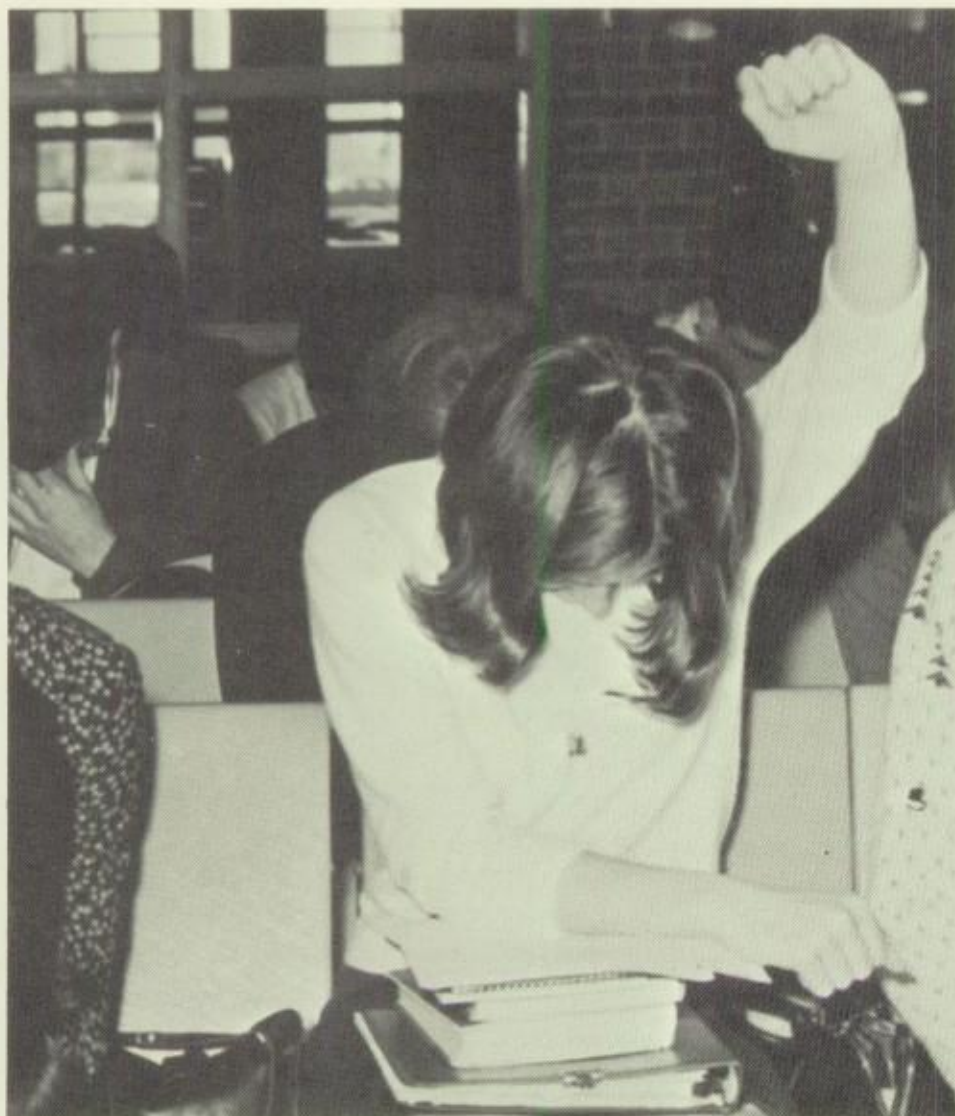

Mrs. Lillian Rowlands speaks to the Student Council on the benefits of the A.F.S. program.

Distribution of duties to permanent committees made the 1966-67 Student Council different from those of previous years. Each member was assigned to a committee by President Mike Haliburton. This practice gave each member a greater interest in Student Council activities and lessened dependence on the President to do the work. The committees, finance, publicity, entertainment, legality, school spirit, merit, intra-school, inter-school, and research, each fulfilled the different aspects of council work. The committees were headed by chairmen elected from the South Campus members and appointed assistant chairmen from the North Campus.

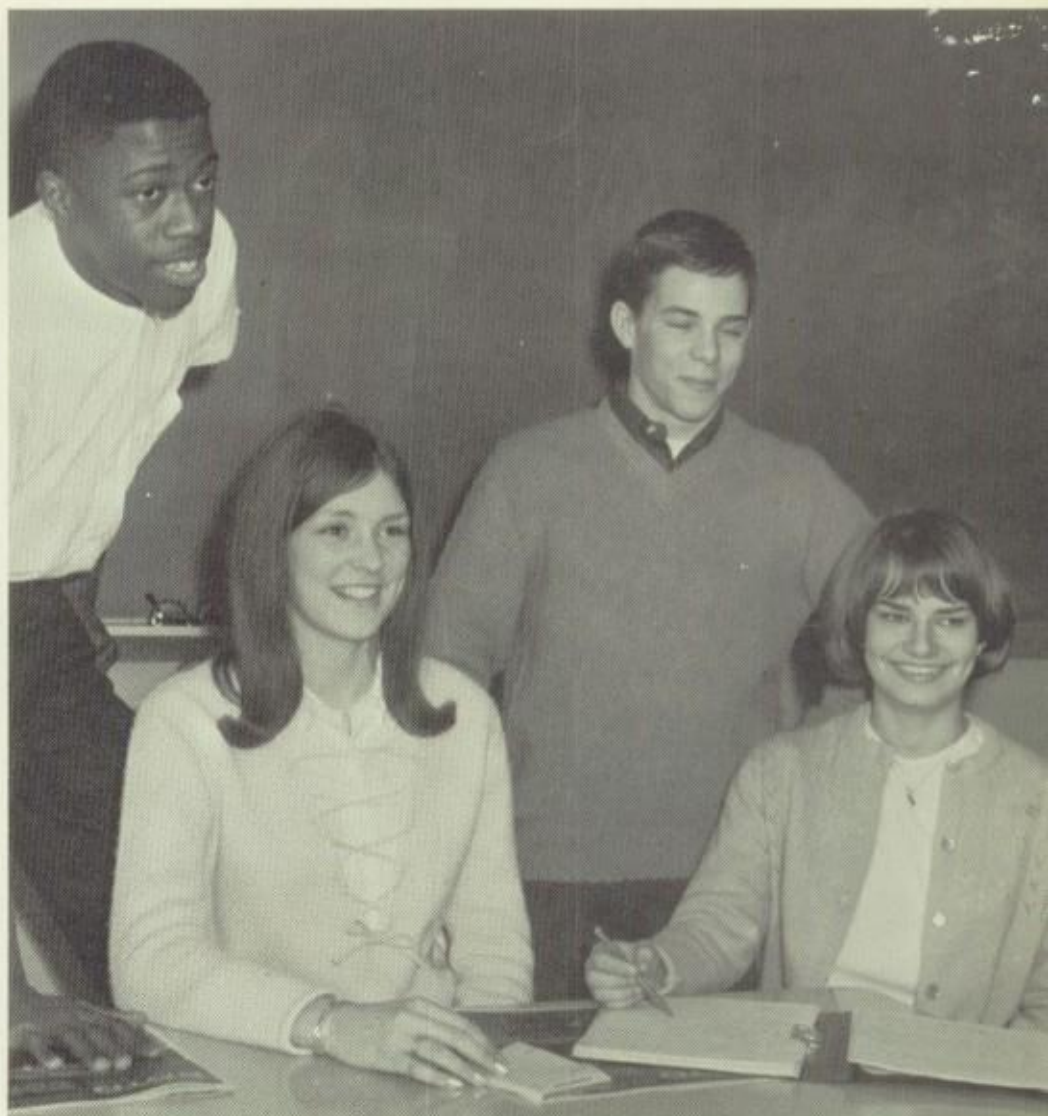

Each month seven members attended Quint Cities Student Congress meetings. The purpose of these meetings was to promote understanding among the area schools and to participate in activities aiding the community.

In order to raise money to sponsor next year's foreign exchange student, Student Council Week was held in the spring. Proceeds from the American Field Service Dance, the climax of Student Council Week, also provided funds for this purpose.

A memorial fund for Richard Stevens, a 1966 UTHS graduate, was used to purchase a dictionary and bookcase stand for the South Campus library. Student Council also designated dress-up days and "true blue days" at various times throughout the year to promote school loyalty.

Masthead

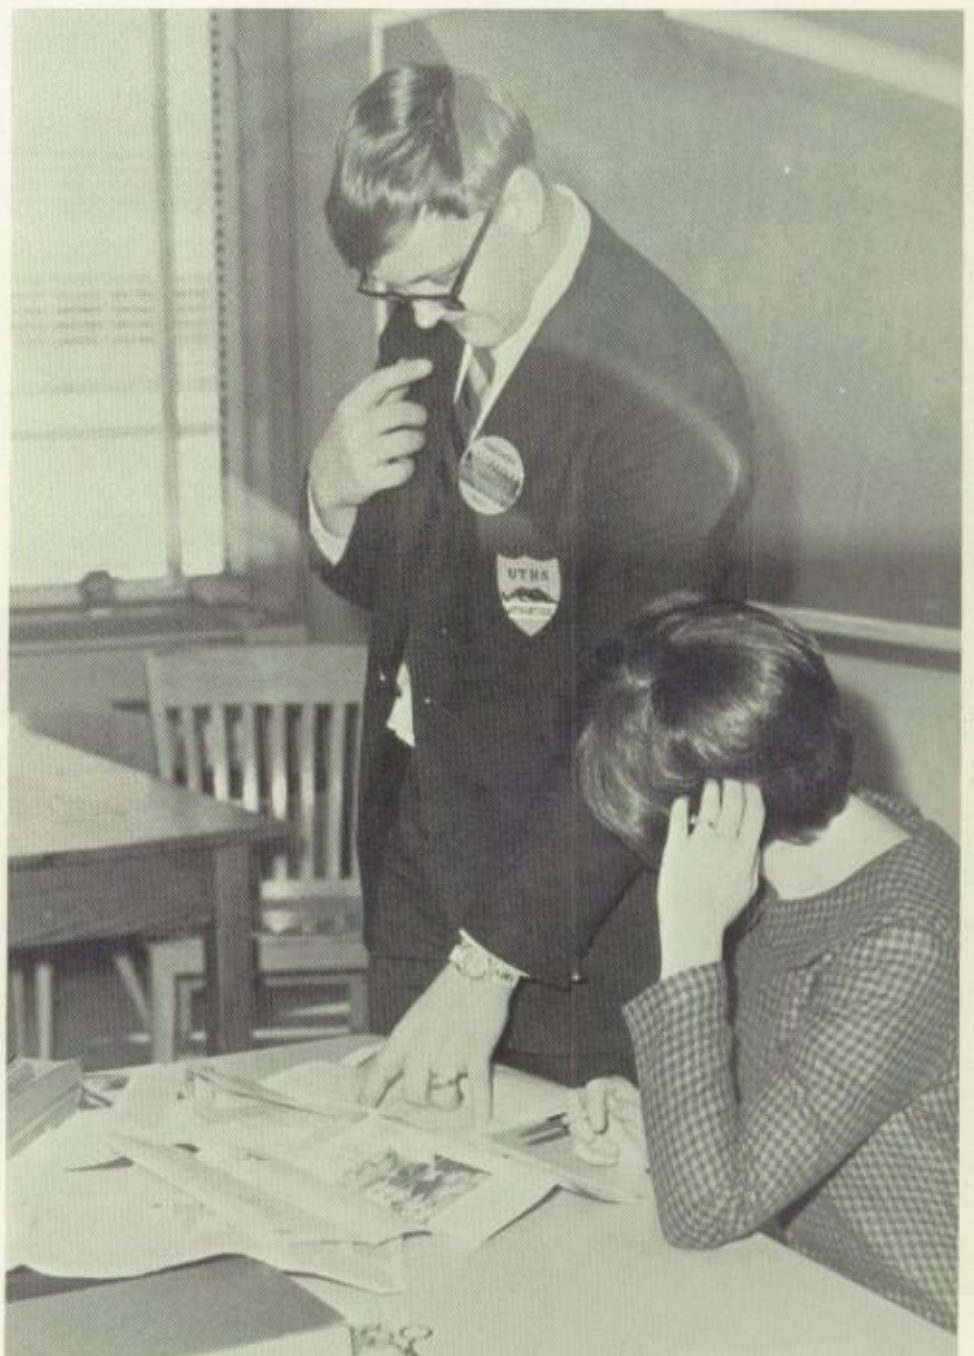

The *Key* staff produced a bi-monthly newspaper which kept UTHS students informed with news from both campuses.

Although scotch tape, glue, and even gum was sometimes needed to "put the paper together" the co-editors, Sylvia McIntosh and Kathy Miller, and page editors, all working under the guidance of sponsor Mrs. Lana Carlson, met the deadlines necessary to print the *Key*.

The masthead attained a new and more professional appearance. News stories, features, editorials, sports stories, cartoons, and extra attractions including the "Guess Who" picture contest were all compiled to form a new *Key* for 1966-1967.

Members of the staff not only met deadlines and fitted stories but also traveled to the ISHSPA convention held on the University of Illinois campus in the fall.

To aid the *Key* staff the journalism students distributed the *Key* issues in the subscribers' lockers. Through the journalism classes students learned about newspaper work and from these classes many staff members were chosen.

Editor-in-Chief Joline Small, Assistant Editor JoAn Mendenhall, and Sponsor Mr. Edward Dymek review a selection to be printed in the *Panther Parade*.

by *Panther Parade*

The 1967 *Panther Parade* staff spent many hours reading, editing, and publishing the creative writing and art work of the United Township High School students.

The staff included twenty-six seniors headed by Editor-in-Chief Jolene Small, Assistant Editor JoAn Mendenhall, and Business Editor Carol Cass. Sections were headed by Short Stories Editor Cherry Ray, Poetry Editor Cindy Smith, Essays Editor Jana Rotz, and Art Editor Cindy Holloway.

Although the 1967 *Panther Parade* itself may not have appeared different, minor changes occurred. Included in the innovations were the co-ordination of the art work with the written material and the establishment of a new distribution system. This year the *Panther Parade* was distributed through the homerooms to avoid the confusion of cafeteria distribution.

Much more time was spent on the "backstage production" of the book this year than in past years, and it ultimately showed the wide and varied talents of the United Township students.

Minnesota Summer Workshop

After attending yearbook conferences at the University of Minnesota, Illinois State University, and the University of Illinois the staff of the 1967 *Skyline* began the tedious work required to produce a yearbook. Under the supervision of Advisor Mr. Robert Eckermann, Editor-in-Chief Kathy Harrington and Associate Editor Ginny Colby the staff worked toward the goal of receiving the coveted All-American yearbook rating.

Members of the staff, combining their efforts, initiated many new ideas among which were the individual under-class pictures, alphabetical faculty section, and a combined index of all students and faculty members.

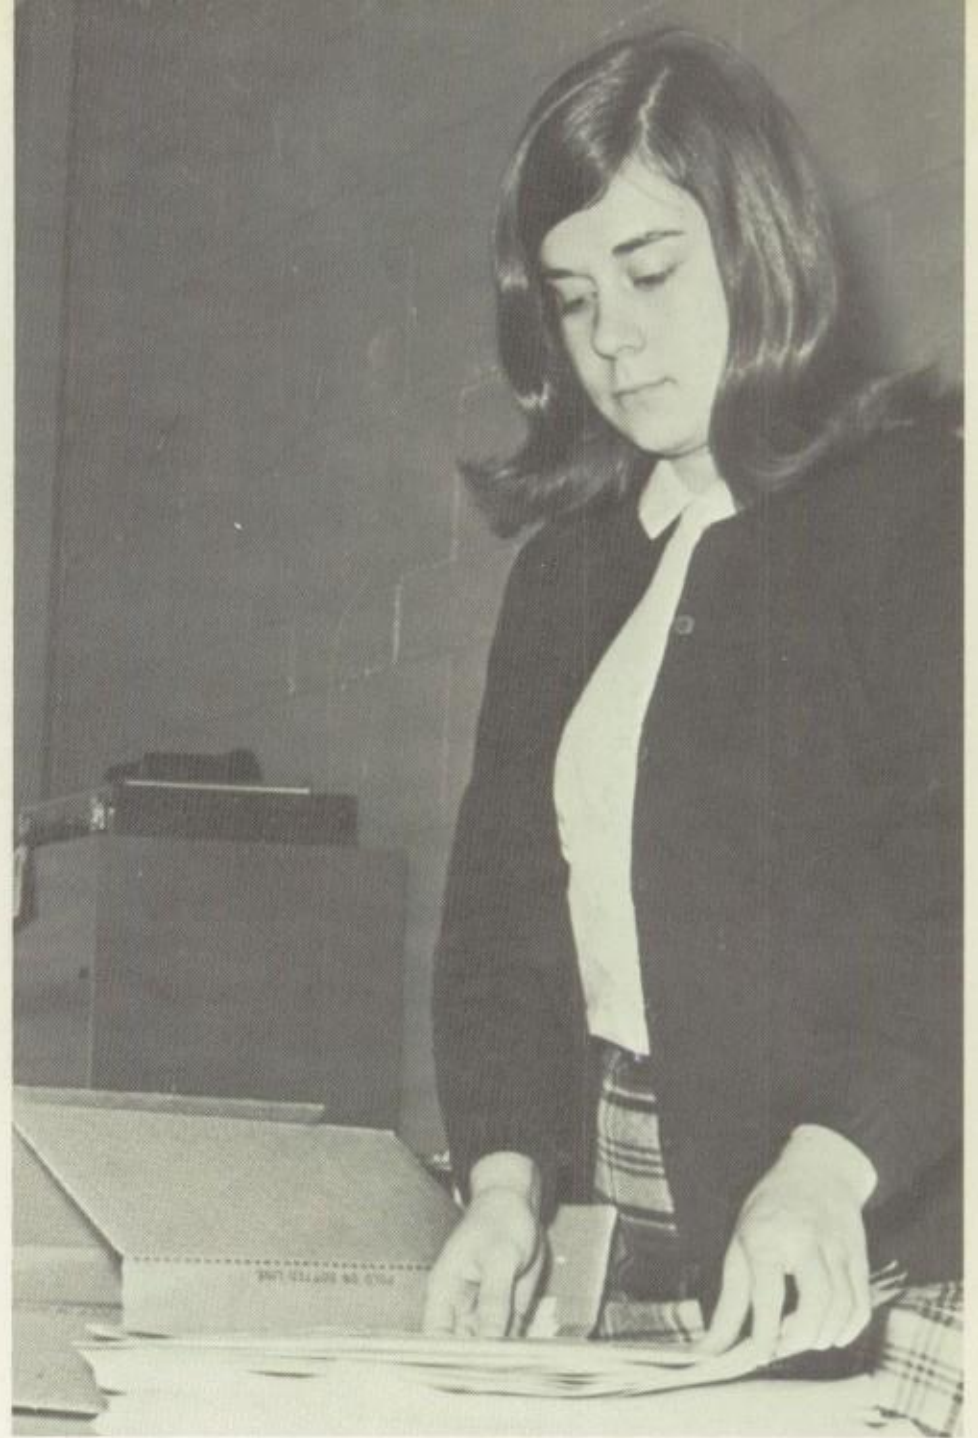

Late at night the *Skyline* staff could be found cropping pictures, drawing layouts, and writing copy for the completion of their deadlines. The *Skyline* room became the second home to the staff members as countless hours were spent in the production of the book.

In the spring, after the distribution of the book, each member felt the satisfaction of a job well done.

Encouraging school spirit with the combination of rousing music and two hundred eager and enthusiastic students has been one of the main objectives of the United Township High School Band program. Dedication is one word which describes the attitudes of these students who participated in the Concert, Orange, and Black bands. Sloshy fields, cold weather, strenuous exercise, and complicated formations were among the many trials which they endured to attain perfection. But, through the hard work of the students and the direction of Mr. Mallie Williams, accomplishment of well-played performances was their ultimate reward.

Approximately eighty students were involved in the State Solo and Ensemble Contest. This, the largest participation from United Township, consisted of thirteen soloists and twenty ensembles. In the spring the entire band participated in the Organizational State Contest and for their final public performance presented the Spring Concert.

The band contributed much to the school by actively participating at all home games and traveling to two away games. The UTHS Concert Band provided musical entertainment at home basketball games and were aided in this venture by the Black Band, Glenview Junior High School Band, Silvis Junior High School Band, and the East Moline Grade School Band.

Organizational State Contest

The darkened auditorium was hushed by the candlelit procession of choir members whose voices were raised in unison to "O, Come, Emanuel." This Christmas Vesper Assembly was just one of the impressive moods the sixty-five member choir created for the public under the direction of Mr. Kenneth Lowenberg.

The choir, after many hours of hard work, attended for the first time in its entirety, the Organizational State Contest. Thirty choir members also gained experience by singing with the Tri-City Youth Orchestra and chorus.

Many different kinds of music were studied and greatly expanded the choir student's appreciation of music. Through the sacred numbers, folk tunes, Broadway selections, and Negro spirituals, studied, the students learned enjoyable songs other than popular tunes.

Much time was spent on individual progress by the forming of quartets which helped build the students' confidence in themselves. By focusing attention upon the individual the strength of the entire group was increased.

Through participation the students learned not only musical theory but also developed the ability to co-operate with their fellow students.

Choir members Carol Smith and Marty Coram relax between numbers.

Losing Streak

The 1966 Panther football season opened with a 7-6 loss to Davenport West. The one East Moline touchdown was scored by Rich Yeargle on a run from the three yard line during the second quarter.

The Dubuque game again brought disappointment. The Panthers led 7-6 with only four minutes left in the fourth quarter. The Rams then scored their thirteen points to win the game. The Panther touchdown was made by Dan Zora on a run from the ten yard line.

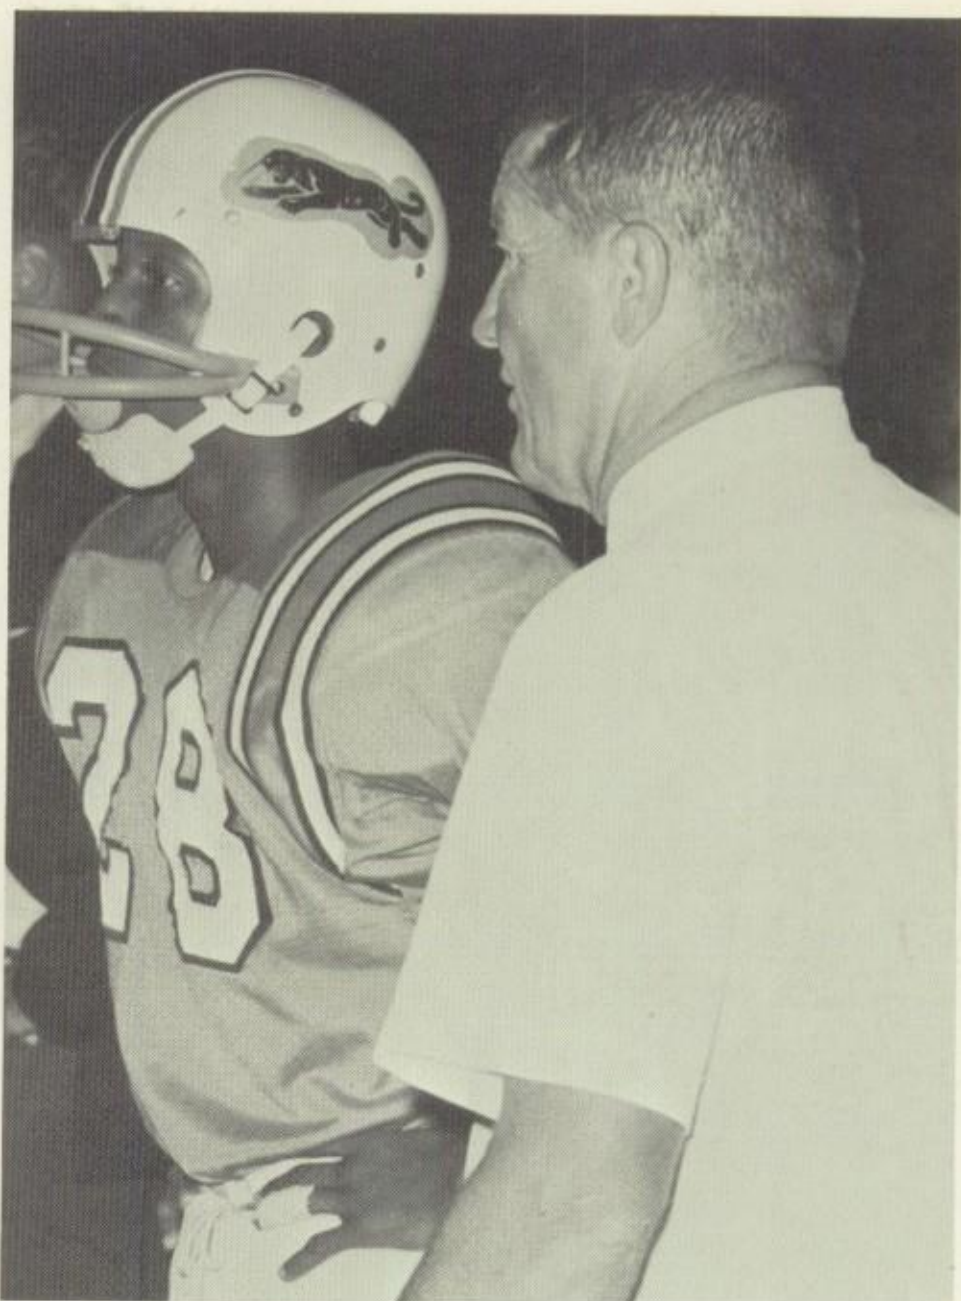

The football game with Washington of Cedar Rapids lifted the spirits of the UTHS players and fans. The final score of the game was a 6-6 tie with the East Moline touchdown made by Dan Zora.

Highlighting the game of October 7 with the Moline Maroons at Browning Field was the 45 yard pass from Dan Zora to Tyrone Patterson. Although the Panthers lost this game, their desire to win was increased.

Through the rain, mud, and slop came the Panther eleven to defeat the Rock Island Rocks. In this game the Panthers ended the 735 day winless drought. The fourth quarter touchdown made by Dan Zora tied the score. Coach Gene McCarter then instructed Zora to run the ball in rather than attempt a kick. Rich Yeargle's run to the end zone gave East Moline the one point margin needed to win the game. The United Township defense held the Rocks for the rest of the game.

The Central Blue Devils, holding 3rd rank in Iowa, defeated the Panthers by 33-0 margin. The Imps were held to one touchdown in the first three quarters, but then overpowering the Panthers they scored four touchdowns in the fourth quarter.

6th in Mississippi Valley Conference

The following week the Panthers battled the Alleman Pioneers. The Pioneers, after a hard fought game, came out on top with a score of 22-13. Yeargle, in the second quarter, scored a touchdown on a 31 yard run. Henry Nache's kick was good. In the fourth quarter, Yeargle threw a 13 yard pass to John Reid who also scored a six pointer.

The Iowa City Hawks traveled to Soule Bowl and were defeated by the East Moline gridders 20-6. The first score came as Dan Zora made a plunge from the one yard line. Al Anderson also scored in that same period on a four yard scamper around left end. The kick by Henry Nache was good. With 2:16 left in the game, Skip Jones scored his first touchdown of the season on a 17 yard play. Nache again broke the uprights.

In the final game of the season the Panthers struck for 18 points in the first half and then held on for a 18-14 decision over Clinton's River Kings. The first touchdown came on the opening kickoff as Tyrone Patterson scampered 85 yards for the 6-0 lead. During the second quarter the Panthers struck paydirt twice again. Dan Zora pushed over the one yard line and completed a 27 yard pass to Yeargle in the end zone. This game ended the season for the Panthers with a 3-4-1 mark, taking sixth place in the Valley.

As the clock ticked off the final seconds of the final game, the fans went wild, cheering with all their might. When the buzzer sounded the end of the game they became a screaming mob. Tears could be seen in the eyes of the cheerleaders, players, and fans alike, as everyone, including Coach McCarter, hugged everyone else.

Dan Zora plunges over the line for a score against Cedar Rapids Washington.

Height Deficit

East Moline opened their season with a thrilling game with The Assumption Knights. Bob Kivisto hit 45 points and in doing so set an Assumption gym record. The final score of the game was 93-89.

Early in the season the East Moline Panthers traveled to Debuque to score an easy win. Reed Mayfield came off the bench in the second period and scored 12 points by hitting six of seven attempts.

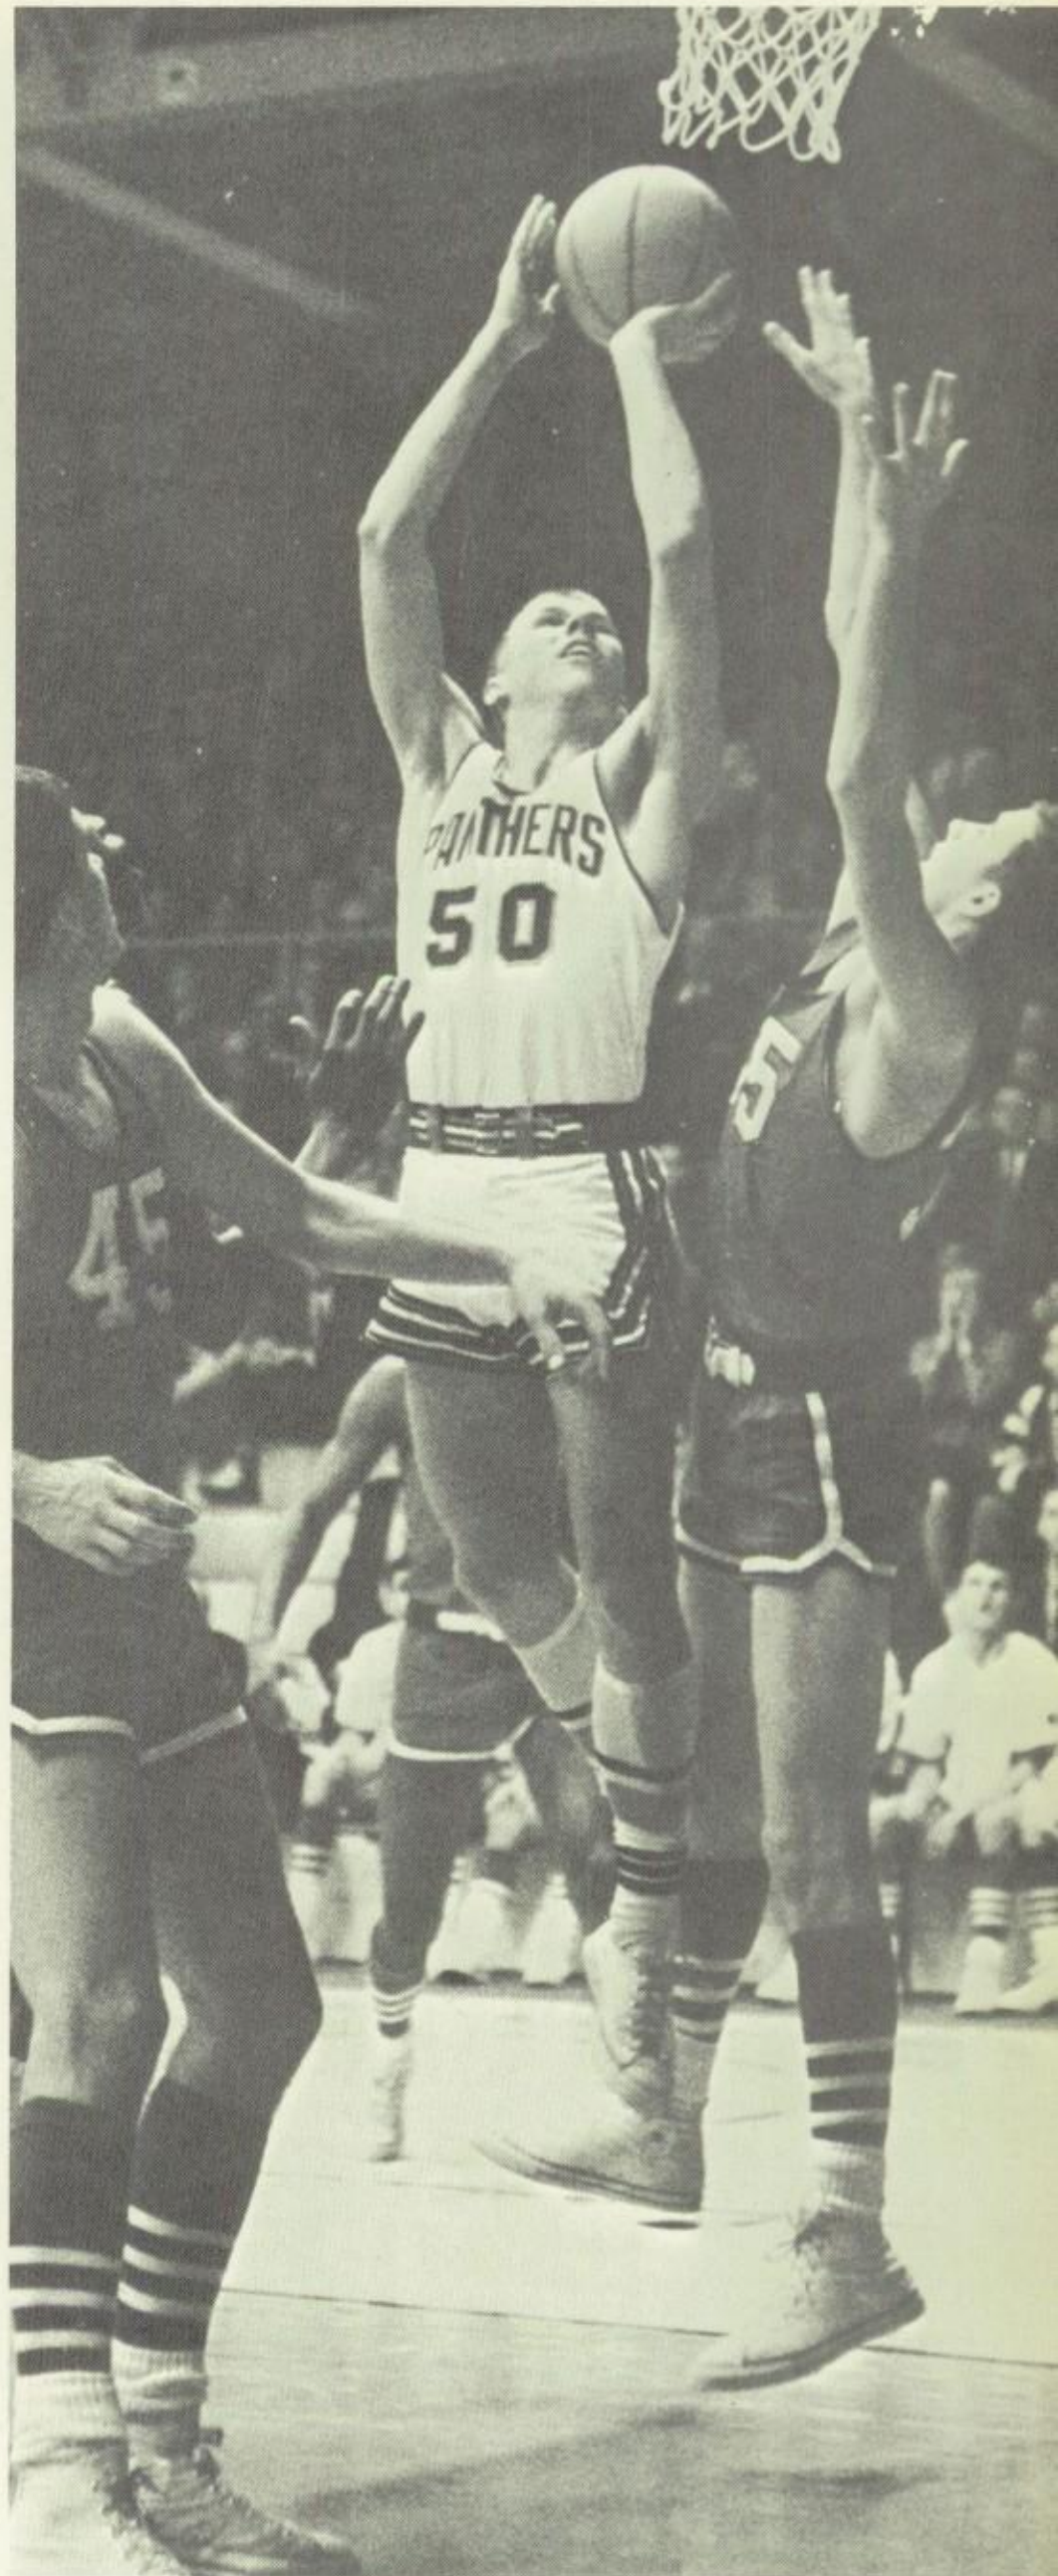

Davenport West gave the Panthers a fight as the game ended in an overtime win. Bob Kivisto, Rich Yeargle, and Mike Haliburton accounted for 60 of the Panther's 78 points.

In a return meet on January 6 the East Moline Panthers again defeated the Falcons of Davenport West. This game proved to be a contest of free throws. The East Moline players hit many important shots from the charity line and Sophomore Dave Vickroy came through with the vital points needed to win the game. Vickroy converted five of six free throws and sunk seven field goals making a total of nineteen points. The starting Panthers finished the game with a balance of scoring.

With one minute and 38 seconds left in the game West was in the lead 68-67. Then Vickroy stole the ball and drove in for a lay up. The basket was good, but Vickroy was fouled. He then made two free throws and regained East Moline's winning lead with 45 seconds left on the clock.

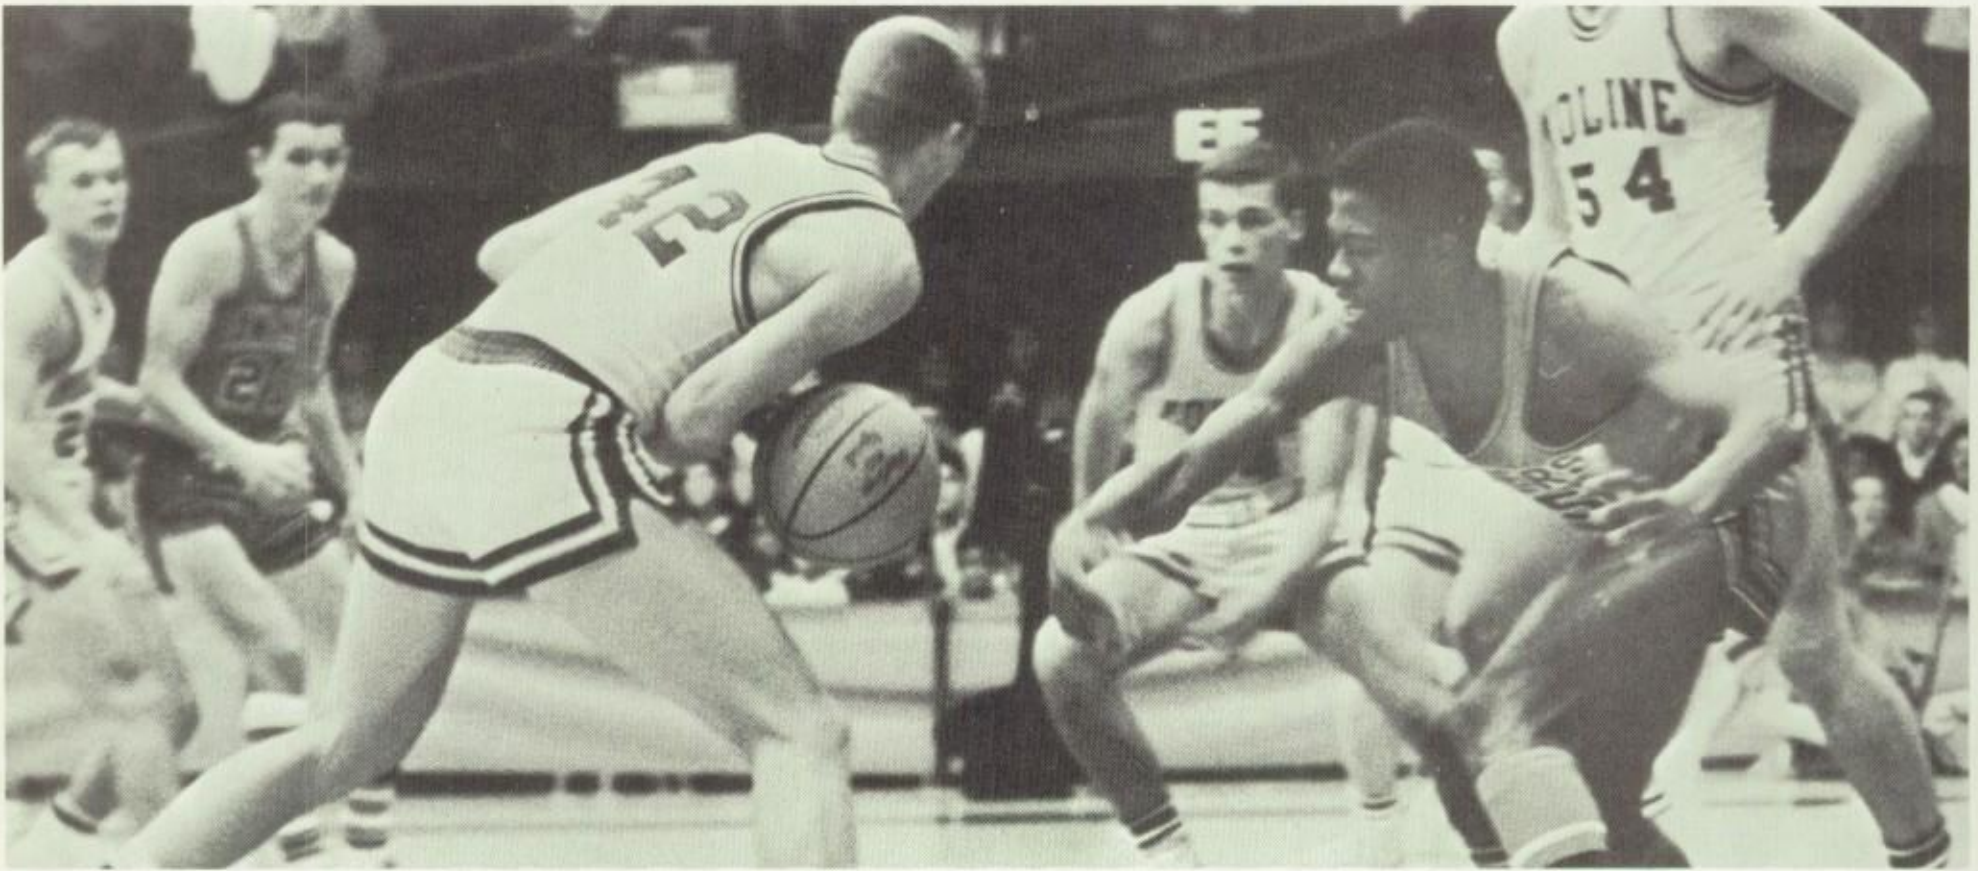

East Moline battled Moline in one of their greatest performances of the year. The Panther's center, Mike Haliburton, kept the game alive with remarkable shooting and

The East Moline Wrestling team opened their season with a Quadrangular match at the South Campus. The Panthers won a third place honor. Larry Hobbs won first place, while Jerry Propps and G. G. Sierra fought for second place honors. The wrestling meet with Alleman gave the grapplers their first win in the seasonal matches. Seven of the twelve wrestlers were victorious, with Tom Caulkins, Greg Prickett, and G. G. Sierra all pinning their opponents. In the United Quadrangular Tournament the Panther wrestlers dug in and came out in the first place, with five UTHS matmen earning first place status.

At Sterling the E. M. wrestlers fought to a 28-17 victory. At this meet Bill Wallace at 154, Bill Burke at 180, and Larry Hobbs, heavyweight, battled their contenders into falls.

New Programs Added to Intramurals

Distributing equipment for Intramural activities is a responsibility of Coach Gene McCarter.

The intramurals of 1967 initiated two new activities while still retaining the ones of former years. Those added to the program were handball and ping pong. Both of these activities began in January and continued through spring.

The sports of previous years consisted of basketball and bowling. Basketball was made up of the American and National leagues, each consisting of ten teams. The American league champions were the Hogheads, while the Rattlers took first place in the National league. A tournament in which the Sanddogs were victorious was played at the end of the season. After intramural basketball ended, bowling teams were organized.

as a Varsity Sport

The Rifle Team was one of the most active organizations at UTHS. At the start of the 1966-67 school year the Rifle Club was re-christened and the Rifle Team. Under its new position the Rifle Team was presented with two new rifles, a telescope, and a set of four shooting jackets by the Athletic Administration.

The Rifle Team consisted of many members all of whom were offered the chance to fire. The rifle range was located in the basement of the North Campus. Here the members fired live ammunition at small, pasted targets fifty feet down range. The sponsor, Mr. Paul Oliver, acted as range officer and coach.

The many teams which formed the organization fired alternately on a week by week basis. During these firings any person scoring high enough won a position on the first team. The first team composed of five people, represented the club at matches. These matches were governed by the National Rifle Association (NRA) rules. Demands associated with the first team were frequent practice and special rifles. The other members not actively competing for the top team, shot for ratings given by the NRA. Citations and medals were given to the persons achieving various levels of shooting accuracy.

Crowds in Supporting Panther Teams

This year the UTHS varsity cheerleaders attended a cheerleading clinic at Normal, Illinois. The clinic lasted one week. Each day the cheerleaders participated in three classes where instructors taught them new cheers, tumbling tricks, and pom-pom routines. They also participated in nightly competitions. Out of five competitions, UTHS cheerleaders won three first place awards.

In the last few years wrestling has become a major sport at UTHS. Therefore a new group of cheerleaders were chosen this year to represent the wrestlers. These girls also backed up the varsity squad by cheering at the junior varsity football games.

Try-outs were held in the spring to choose the varsity and wrestling cheerleaders for the following year. The girls were judged on "punch," expression, footwork, rhythm, and voice quality. The five with the highest scores were chosen varsity cheerleaders. The next four in line were named as wrestling cheerleaders.

An intricate sixth member of the cheerleading squad was Pete the Panther. Julie DeBoo was the regular, and Amy McKaufsky acted as alternate. Amy attended all underclass games, while Julie assumed her duties at varsity games. To "reward" the crowd for cheering, Pete handed out suckers before games.

Business Club Aids in Office Work

The basic goal of the Business Club was to socially acquaint its members with other students who were interested in entering the same occupational fields. This included anyone from those interested in becoming bookkeepers to those interested in becoming secretaries.

The club began its year with the election of officers. Those elected were Paula Kester, President; Lynn Engstrom, Vice-President; Theresa Girt, Secretary; and Sharon Frye, Treas-

urer.

Under the guidance of Miss Eleanor Allen, the club met to discuss business careers and occupations. One of their most important functions was the promotion of an awards program which gave recognition to those who were outstanding in specific business fields. Other activities included listening to guest speakers and having a pizza party and a picnic later in the year.

Tri-Mic Joins Vocational Industrial Club

Tri-Mic Club is a school organization designed to promote better citizenship among the boys in the vocational classes of United Township High School. It has been active for twenty-five years. Its purposes are to promote a better spirit of craftsmanship, provide a better understanding in vocational fields, aid students in intelligent choices of occupations, improve scholarship, and promote safety in work habits. The club was sponsored by Mr. John Cavanaugh and

held many activities during the year, among which was the sale of pencils and stationary. In the spring the club went on several field trips. The club also held a Christmas party in St. Anne's gym. Each year the state organization holds a convention which is attended by the sponsor, officers, and as many members as possible. This year the Tri-Mic Clubs of America was a newly formed state and national organization.

Tri Mic Club officers are Steve Gelande, Secretary; John Reid, president; Bob Hawkins, Vice President; Rodney Anderson, Treasurer.

D.O. and D.E. Students Form

This year the Diversified Occupations Club was a new program for UTHS. The club was closely connected with the Distributive Education program. As a first year club they joined the state and national association, Vocational Industrial Club of America. The highlight of the year was the D.O. dinner held in April and attended by the students, their parents, and the administrative staff.

Distributive Education is a work experience program in retailing. This year the club went on several field trips and heard guest speakers. They attended the state conference in which they were tested in sales demonstrations, public speaking, advertising layouts, and heard speeches by leading retailers.

Art Club Creates Murals for Library Windows

On April 22, the Art Club rented a bus and journeyed to Chicago to tour the Chicago Art Institute. The trip was financed by fund raising projects and by the money left in the treasury from the previous year. During the Christmas season the club created in the main lobby symbolic windows consisting of a nativity scene, a choir scene, the bells of Christmas, and Santa Claus scene. In February the

Art Club created educational murals on the library windows. The murals reduced the glare of snow and added to the library's educational appearance. Throughout the year the Art Club created pledge boards for important athletic events. The boards were signed by the students and encouraged school spirit.

Art Club officers are Carolyn Johnson, Secretary; Barb Lannon, Treasurer; Jack Lee, President.

The artistic talents of Phyllis DePaola and Bob Argenbright along with the signatures of enthusiastic students are shown on the Panther Pledge Board.

Language Clubs Make Use of Class Study

The main goal of the German and Spanish Clubs was to create a further interest in the language courses offered at United Township High School. The background and customs of the Spanish and German nationalities were the clubs' main interests, and each club gained a better understanding of language arts. One of the highlights of Spanish

Club year was the annual Christmas Party, complete with pinatas, and Mexican food. In classroom discussion, German Club students learned about the background of Germany. Through the travel experiences related by the club sponsor, Miss Jan Zacha, they were also able to know about the modern Germany of today. Both of the clubs were aided by the use of films and audio-linguo equipment.

New North Campus Members

The Future Homemakers of America Club provided experiences that helped its members to grow individually. Such experiences included helping to plan the chapter's work, presiding at meetings, serving as hostesses, taking parts in skits, and making decorations for banquets. Through these experiences the members developed poise and self-confidence. During the previous summer the club elected to send Kathy Mueller to the F.H.A. state convention at Normal. At a picnic in September, new members were welcomed into the club, and initiation was held in February. The club was very active during the year. The members held a hayrack ride, saw films, and heard guest speakers, one of whom was Marie Lundgren, A.F.S. student. Also, this year Future Homemakers supported an orphan in Oklahoma. In April, to terminate a successful year, a sectional rally which was attended by over 500 students was held at UTHS for area homemakers.

F.H.A. officers are (kneeling) Ruth Martel, 1st Vice President; Penny Cruzen, President; (standing) Karen Engstrom, Treasurer; Mary Taylor, Public relations; Kathy Mueller, Secretary; Alice Kay, Historian; Sharon Massa, Membership; Leanne Bender, 2nd Vice President.

Future Teachers Visit Western University

One of the highlights of the Future Teachers of America Club this year was the Blackhawk District Meeting in January. While the teachers of the Blackhawk division met in the cafeteria, the Future Teachers met in the auditorium and listened to the Foreign Exchange Students of the area talk on school in their countries.

The Club was very active this year, holding a bake sale at the bank, attending Blackhawk District meetings, traveling to the fall workshop and the spring convention held in Peoria, Illinois.

Held in October, the Club initiation was a Halloween party with a scavenger hunt as entertainment. After the groups returned from the scavenger hunt they were subjected to dunking for apples and then taking the F.T.A. pledge.

Officers were Sylvia McIntosh, President; Joyce Kuhn, Vice-President; Dave Beard, Treasurer; and Marlene Gould, Secretary. Sponsors were Miss Loryann Eis and Mr. Claude Kramer from the North Campus and Miss Dorothy Calvert and Mrs. Pamela Kramer from the South Campus.

F.N.A. Volunteers Services at Area Hospitals

The purpose of the Future Nurses of America Club is to interest students in personal and community health, and to encourage them in finding out the requirements and advantages of nursing. This year the Future Nurses Club was very active and had a total of over 35 members. Several guest speakers were entertained and films on nursing and related careers were rented. A field trip to the Lutheran Hospital and School of Nursing was financed by the sale of

shakers. A field trip to Iowa City was planned for the spring.

As a club project, the girls made and distributed cookies to invalid and shut-ins during the Christmas season. A group of girls from the club volunteered their services as Candy Strippers at the local hospitals every other Saturday.

Key Club Develops School Leadership

At the opening of the 1966-67 school year a group of 25 boys received a charter that officially made them members of UTHS's first Key Club. Key Club is a service organization for boys from the grades 10, 11, and 12. It operates under school regulation and draws its membership from the student body, but its sponsorship, aims and programs make it unique. The club is sponsored by the East Moline Kiwanis Club, but is operated entirely by the student members. The

purpose of the club is to develop initiative, leadership ability, and good citizenship. These aims are achieved as members accept responsibilities in the administration and activities of the club. Four elected officers and three directors conduct the business meetings and initiate the activities of the club. Key Club planned a swimming party and a week-end ski trip in addition to their service activities.

Key Club officers are John Mullen, Secretary; Pete Darby, Treasurer; Mark Bollaert, Vice President; John Hamerlinck, President.

Library Club Is Service Organization

During the 1966-67 school year, approximately eighty-five busy young people could be seen shelving books, passing attendance lists, working at the desk, and helping other students in the North and South Campus libraries. These students were members of the UTHS Library Club, one of the school's most important service organizations. As library assistants, these students helped the librarians conduct the

library as an efficient, serviceable aid to the student body and faculty. Each assistant gave up two or three study halls each week to help keep the library facilities in order and instruct others in library use. The reward for their work was the satisfaction in being of service to their school and the knowledge of library operations and procedures gained through their experiences as assistants.

in Fund Raising Activities

Lettermen's Club is composed of boys, each having a varsity letter in a sport. The objective of the club was supporting the athletic teams by making contributions of equipment and service. This year the Lettermen's Club's main undertaking was the purchase of athletic team sports coats. The new, plain black coats with orange and black athletic emblems, were worn by all athletic teams to and from their contests. Complimenting the jackets were orange and black striped ties. The coats were financed mainly by profits received from the KSTT Good Guy basketball game. The club also adopted new varsity athletic awards this year. These letters were larger than the previous letters by one inch and three dimensional in appearance. The customary six-inch letter became the new Junior Varsity award. Lettermen's Club also awarded college scholarships of three hundred dollars to deserving members. In addition, the Lettermen took care of ushering and program selling at the football and basketball games. They also took charge of the sale of pep pins and the raising ceremonies at football games.

The highlight of the Lettermen's year was the annual Lettermen-Faculty basketball game. Fifteen senior members of the club, after weeks of practice, went on the floor February 20 to compete against their teachers and coaches in a spirited athletic contest.

Attired in the athletic blazers purchased by the Lettermen's Club Mike Haliburton, and Bob Kivisto await the departure of the team bus.

Through varied activities, the Girls' Athletic Association this year encouraged sportsmanship among participants. Some of the activities, offered to the girls were bowling, basketball, volleyball, and net games. During the volleyball unit, winners from the North Campus, and winners from the South Campus, took part in an all school tournament. The senior squad was victorious.

To introduce G.A.A. to freshman girls, a get-acquainted picnic was held in the fall. The picnic was held at Butterworth park where Board members roasted hot dogs for those in attendance. After the meal the girls participated in a variety of games.

This year the North Campus hosted the Initiation-Installation Tea. At the Tea the new members were initiated, awards were presented, and new officers and Board members were installed. At this time the G.A.A. Board was increased from three to five representatives per class.

Each year G.A.A. spends some of its money earned in selling candy for equipment to be used in the P.E. classes. The purchases of two dozen scooters for the P.E. classes and a typewriter for each P.E. office was authorized.

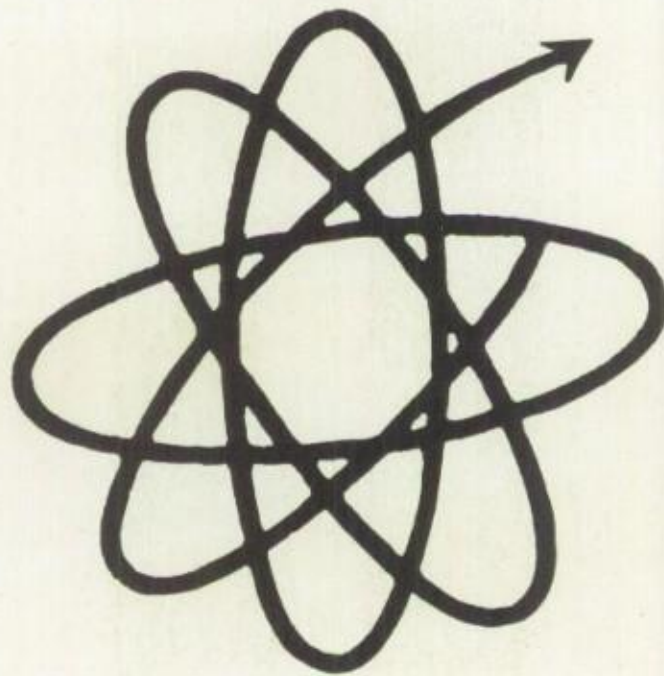

During the summer of 1966, Therese Vyncke and Linda Gremontprez attended Northern Illinois G.A.A. Camp on Lake Geneva, Wisconsin. These girls were chosen because of high points and leadership ability. At camp they attended classes covering a wide range of physical activities.

In the spring, each campus held an Awards Breakfast. At these breakfasts those girls who had earned enough points to receive awards were presented with them. Four awards were presented.

Robert G. Ingersoll

I've a future I must build

There are plans that I must draw.

Then let this timid hand of mine
Be guided, line for line,
With that steady, certain trueness
Of the Hand that planned
This universe.

There are materials I must choose.

Then let this casual mind of mine
Choose with the wisdom of the Mind
That fixed the substances
Of things like grass and trees
And mountain peaks.

There are decisions I must make.

Then let me make them with that sureness
That divided land and sea,
And day and night, the birds that fly
And beasts that roam the field.

There's a determination I must have.

Then let me bind myself unto such things
As principles, and truth, and right
With that same permanence
That holds in their celestial places
The sun, and stars,
And all the heavens' gems.

I've a future I must build.

So, let me build it with such care,
such tools, such wisdom,
And with such a rugged firmness,
That all the fiercest thrusts
Of host or elements
Cannot destroy it.

Aye, I've a future I must build . . .
Let me rise, then, to the task!

Graduation from High School represents the attainment of an important goal. But it is only the beginning.

Where you go from there, how much you accomplish, depend for the most part upon careful planning, hard work, and a continuing effort to improve.

At Iowa-Illinois the same principle applies. We continually plan and work to improve our facilities — to keep ahead of increasing customer requirements. "Service to Our Customers is Our Prime Objective." We expect to continue to accomplish this objective.

BEST OF LUCK IN THE YEARS AHEAD!

Millard W. Pratt

In Memoriam

Mr. Millard W. Pratt was for 36 years an energetic and devoted teacher in the UTHS science department.

Mr. Pratt received his Bachelor of Science degree from Wesleyan University in 1927 and his Master of Science degree from Colorado State College in 1940. He began his teaching career at UTHS in 1930 and influenced the lives of many of his students.

At the time of his death on November 2, 1966, Mr. Pratt was a teacher of Freshman Science classes and the director of the audio-visual department. In the fall of 1966 he introduced the Kiwanis Club at UTHS and was functioning as its sponsor. He was one of the founders of the Bio-Chem-Ics Science Club and was for many years its sponsor.

Active in the community, Mr. Pratt was a member of the East Moline Lodge No. 969, the East Moline Kiwanis Club, and the Rock Island-Scott County Science and Mathematics Teachers Association.

... A Time to Remember

Concern shows on the face of Sue VanderBeke during a tense moment in the game.

But so quickly, our year, with its problems and joys, comes to an end. Before we realize it, the gates to the football field are locked, the last chapter in the textbook is completed, the final edition of the newspaper is out and the yearbook is distributed.

Many of us will be back again next year with new problems and new goals, with another chance to fulfill dreams. Others of us have completed our final year at United Township High School and will go on to undertake new responsibilities and face new challenges.

The strains of Pomp and Circumstance fill the auditorium, the line moves slowly but quickly as the seniors proceed through the commencement ending not only their high school days but also their days of adolescence. Now we move on to colleges and jobs and our separate ways, tied together through common experiences. But we will never forget this year at United Township, a time of challenge, laughter, study, and accomplishment, a time for us.

Captain Jim tells Mary Sunshine of his true feelings for her.

March 16, 1967 marked the opening night of United Township's presentation of the musical comedy, "Little Mary Sunshine," written by Rick Besoyan. The production broke attendance records and tradition by running three nights.

The musical was a spoof on the old type operettas, complete with the dashing hero, distressed heroine, and despicable villain.

Such rollicking numbers as "The Forest Rangers Song" and "Mata Hari" as well as the less boisterous but equally amusing "Colorado Love Call," provided excellent entertainment for the audiences.

Both colorful costumes and scenery added to the final dramatic production of the year.

Mr. A. T. Berghult congratulates Sherry Nourse on becoming a member of National Honor Society.

Steve Sapato and JoAnn Kleinschmidt dance to the music of the prom orchestra.

588 Diplomas Presented

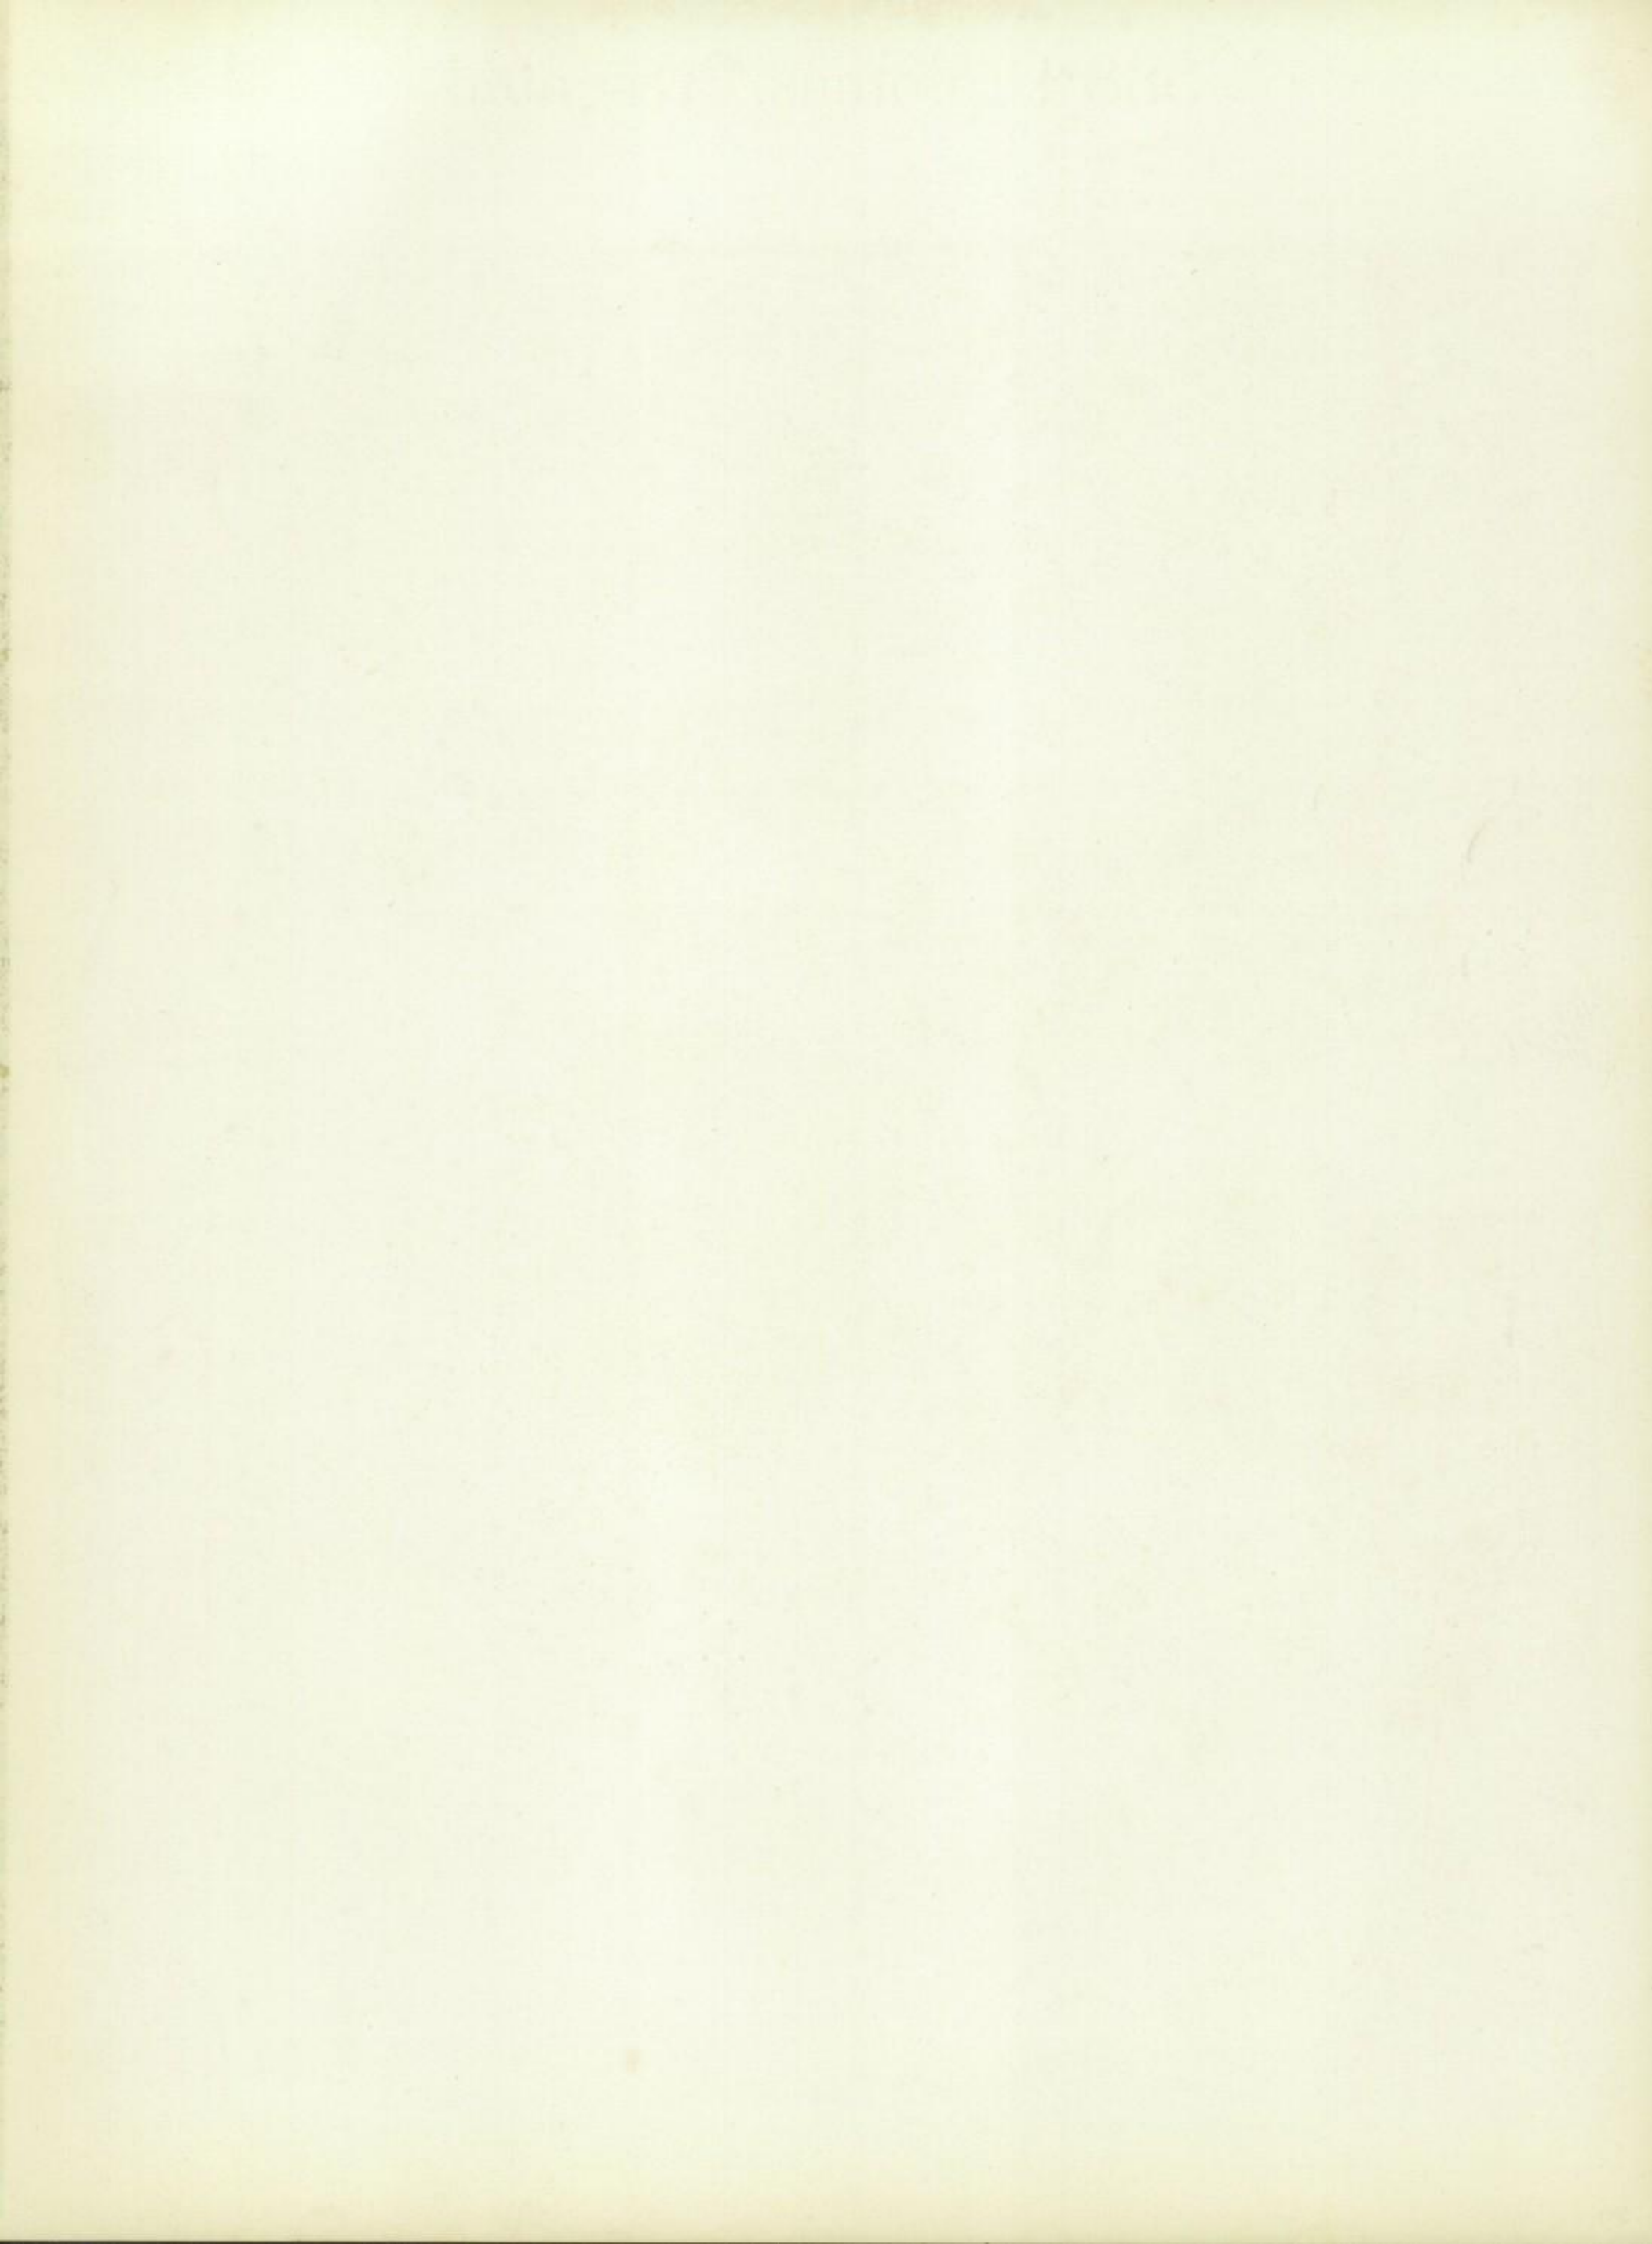

The final benediction is pronounced on the Class of 1967.

Carol Cass, one of the four student speakers, speaks to her classmates.

Principal Mr. A. T. Berghult addresses the audience and graduating class.

Julie,
 So the best
 friends I've had
 all year!! We've been
 through Leo, Allan, Ron,
 Robert, Jim, and now
 and Mark together. May we
 go through twice as many
 our Senior year as we did
 play tennis this summer and next
 year we can go out for the tennis team.
 Best of luck and all that stuff.
 Love,
 Cindy

Julie
 2k!

Julie,
 So a
 real sweet
 kid. Cindy
 forgot a
 couple. So I
 added them
 Sheryl

Julie,
 So a real
 nice girl who's
 a sweet kid
 Good Luck,
 Just me,
 Jenny

Julie,
 Love you bestest
 friends. Remember all
 the (full) too hot to write.
 fun we had. Love
 and I got to know you.
 Good Luck in all you do.

Julie,
To a real sweet girl
that I had a good time
with. I'm sorry I was
so rotten but I guess
that's just the way
I am. Good luck next
year because the S.
Campus is really wild.
Stay good & Good luck
in everything you do

Julie,
 Hi! I was just
 thinking of you! Hope
 you will be in some
 of my classes next
 year! Lots of love!
 Sara

Julie,
 To a real sweet, cute
 girl. I'm glad to have
 met you. Remember all
 the fun we've had in the
 morning on the bus. Hope
 to see you this summer and
